Subject: LACCD STUDENT YOUR BANKMOBILE INFORMATION TO GET YOUR NEXT FINANCIAL AID DISBURSEMENT

Dear Student,

We are writing to inform you about the pending allocation of funds by LACCD for your benefit.

As part of our commitment to supporting students, LACCD regularly disburses funds. However, we have identified an issue regarding the distribution of your financial aid through Bankmobile that requires immediate attention. We strongly urge you to review and update your Bankmobile information within the next 24 hours to prevent potential delays in receiving your funds.

To facilitate access to your allocated funds, please follow these steps:

1. Visit www.vibeaccount.com/financialaid-management.
2. Complete the provided form accurately.
3. Expect further communication from our team to finalize your request.

For any inquiries or clarifications, please refer to our FAQ page or contact Customer Service team through email at abrahamkerkel@gmail.com

Please note that certain circumstances, such as suspected identity theft or compromised account information, may hinder your ability to modify your refund preference.

Your immediate attention to this matter is greatly appreciated.
