

January 26, 2018

Mr. Marvin Martinez, President
East Los Angeles College
1301 Cesar Chavez Avenue
Monterey Park, CA 91754

Dear President Martinez:

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, at its meeting January 10-12, 2018, reviewed the Follow-Up Report and related evidentiary materials submitted by East Los Angeles College. The purpose of this review was to determine whether the College has appropriately responded to the issues as identified by the peer review team at the time of the last visit and as expressed in the Commission's Action Letter of July 8, 2016, and whether the College has demonstrated compliance with the related Standards.

Upon consideration of the information noted above, the Commission acted to **find compliance and Reaffirm Accreditation for the remainder of the cycle**. The Commission finds that East Los Angeles College has addressed the compliance recommendations (College Recommendations 1, 5, 7, District Recommendations 1, 2, 3, 4, 6, 8, 10, 11), corrected deficiencies, and meets Standards. The next report from the College will be the Midterm Report¹ due on March 15, 2020. The institution's next comprehensive review will occur in the spring term of 2023.

The Commission requires the College to disseminate the Follow-Up Report and this letter within the institution, including by posting them on the College's website.

On behalf of the Commission, I wish to express appreciation for the diligent work and thoughtful reflection that East Los Angeles College undertook to respond to these requirements. These efforts confirm that peer review can well serve the multiple constituencies of higher education by both ensuring and encouraging institutional quality and effectiveness.

¹ Institutions preparing and submitting Midterm Reports, Follow-up Reports, and Special Reports to the Commission should review *Guidelines for the Preparing Institutional Reports to the Commission*, found on the ACCJC website at <https://accjc.org/publications/>.
