INTRODUCTION

In order to further reduce the spread of COVID-19 at the Los Angeles Community College District (LACCD) colleges, satellite campus facilities and District facilities, the District is enforcing this Vehicle Curbside Pick Up and Drop-off Protocol, which is adopted from the Los Angeles County Department of Public Health [Protocol for Vehicle-Based Parade published](#) May 25, 2020. County Health Orders and Guidance are subject to change.

CAUTION

LACCD facilities are currently closed to all except designated essential workers and for designated faculty and students completing Spring 2020 classes and Fall 2020 classes. At certain times, additional employees or students may be required to go to a campus to pick up or drop off materials or equipment and will be required to use all appropriate social distancing, facial coverings and to follow all other pre-established safety requirements.

CURBSIDE PICK UP OR DRIVE-THRU EVENT PROTOCOLS—VEHICLE PARTICIPANTS

1. A Vehicle-Based Curbside Pick Up or Drive-Thru Event must have a designated Host College/LACCD site and LACCD Employee(s) who is/are responsible for ensuring compliance with these protocols. This Safety Advisory applies to all LACCD sponsored and non-sponsored events that physically occur at a college or District facility.

A Curbside Pick Up or Vehicle-Based Parade is an event where, during the entirety of the event, every participant—excluding the Host, Event Personnel, LASD or others provided herein—shall remain in a fully enclosed motorized vehicle with the seat belt fastened and where all occupants of each enclosed vehicle are members of a single household. For clarity, an enclosed vehicle does not include a motorcycle, a convertible with the top down, a vehicle with no doors or a bicycle. If the vehicle is a ride-share, all occupants in the vehicle must remain in the vehicle with seat belts fastened.
 - b. The Curbside Pick Up or Vehicle-Based Parade must have a designated LACCD employee(s) who is/are responsible for ensuring compliance with this Order during the event. 2. For gatherings of more than 20 vehicles, the Host College/LACCD site must arrange for and provide sufficient LASD personnel to ensure compliance with the Protocol and address any traffic and safety issues. The Host College or District facility must notify the LACCD Emergency Operations Center of the event for review before it can occur.
3. The College/LACCD must develop a Curbside Pick Up or Drive-Thru event plan for the EOC that includes all the elements noted in the Event Plan section below.
4. Only those personnel of the College who are necessary to assist with the Curbside Pick Up or Vehicle-Based Parade can be present outside of their vehicles, except as expressly provided below. All personnel assisting the Host College/LACCD site, must use a cloth face covering whenever in contact with others.
5. Participating vehicles cannot exceed their maximum occupancy.
6. Events are by invitation only, with participating vehicles limited to the capacity size of the location, as approved by the local jurisdiction or the LASD.
7. The Curbside Pick Up or Vehicle-Based Parade must take place in an outside location large enough to accommodate the amount of cars invited to line-up as part of the event. Spacing between vehicles must be sufficient to allow for emergency entry and exit.
