WELCOME TO EAST LOS ANGELES COLLEGE

Welcome back to ELAC!

Students, I want to stress more than ever that it's all about you. At ELAC, you matter. We are here to serve you, to meet your needs, to help you discover career paths, and to get you transferred or certified. ELAC has done what we can to smooth your paths and eliminate barriers, from putting technology in your hands for online learning to helping with finances. I know our faculty and staff are eager to interact with you, whether in person or remotely, depending on your needs. Student equity is at the forefront of our decisions, and we remain fully committed to providing you with the support services necessary to achieve academic excellence.

For all who are returning to campus this fall, teamwork is critical. We need to take care of each other. Our ethic of care and compassion for one another must prevail during these difficult times.

To respond to our students' varying needs, many classes are returning to face-to-face mode. Many others remain online. As student needs emerge and change, we will adjust.

Our Student Services division is ready to help with online and in-person counseling, health care, financial aid, and academic support. Faculty and staff care about your success and are prepared to support and encourage you.

Let's do this together!

With upmost respect and admiration,
