Anyone with information warranting a timely warning should contact the Sheriff's Department by phone to 310-233-4600 or in person at the Sheriff's Office at PE/Wellness Building on the southeast part of the campus, 1111 Figueroa Place, Wilmington, CA 90744.

SECURITY AND ACCESS TO CAMPUS FACILITIES

No visitor on campus shall attend a college activity limited to college personnel without prior approval of the college president or his/her authorized representative. Any visitor on campus may attend a college event which is authorized as open to the public. (LACCD Board Rule 91202.) All visitors must adhere to the Code of Conduct, LACCD Board Rules, Chapter IX, Article VIII ("Conduct on Campus"), available at:

<http://www.laccd.edu/Board/Documents/BoardRules/Ch.IX-ArticleVIII.pdf>

College premises shall not be used later than 11:00 p.m., except upon special permission of the college. (LACCD Board Rule 7200.32.)

Los Angeles Harbor College is a public institution. During scheduled hours, its facilities are available for all current students, employees, and family members of employees. It is the College's policy to keep all interior and exterior doors closed and locked to discourage unwanted entrance to College facilities. It is the responsibility of all College personnel, students, faculty, administrators and staff to ensure doors to the facilities they use are kept closed and locked at all times when the facility is not in use or has limited occupancy. Breaches of physical security jeopardize everyone's personal safety and security, as well as the property of the college. Poor physical security practices invite unwanted entry. Los Angeles County Sheriff Deputies and Security Officers perform routine security checks of college facilities to ensure security measures. They also investigate and act as a catalyst to rectify security deficiencies.

Los Angeles Harbor College does not have any campus residences.

CAMPUS LAW ENFORCEMENT

Authority of the Los Angeles County Sheriff's Department

The LACCD contracts with the Los Angeles County Sheriff's Department to provide security services at Los Angeles Harbor College. The Sheriff's Department has authority to apprehend and arrest individuals involved in illegal activity on campus and areas immediately adjacent to the campus. The Sheriff's Deputies are peace officers as defined in Penal Code section 830.1. The Sheriff's Security Officers are public officers as defined in Penal Code section 831.4, and have received training pursuant to Penal Code section 832.

Crimes occurring on campus are investigated by the Sheriff's Department. The prosecution of criminal offenses, both felonies and misdemeanors, occurs at the Los Angeles Superior Court (for violations of state law) or the United States District Court, Central District of California (for violations of federal law). Sheriff's Department personnel work as appropriate with local, state and federal law enforcement agencies, and have access to national crime databases.

The Sheriff's Department maintains a daily crime log of criminal incidents and alleged criminal incidents which are reported to the Sheriff's Department.

Accurate and Prompt Reporting of Crimes to Law Enforcement

To ensure the safety of everyone on campus, Los Angeles Harbor College encourages the accurate and prompt reporting of crimes to the Sheriff's Department at 310-233-4600.

Professional Counselors

A professional counselor whose official responsibilities include mental health counseling to members of the Los Angeles Harbor College community and who is functioning within the scope of his/her license or certification is exempt from disclosing reported offenses to law enforcement, unless there is a legal obligation to disclose. Personal information from counseling records will not be revealed unless disclosure is required by law. (LACCD Board Rule 8302.10.) However, counselors may encourage victims to make a report to law enforcement.

PROGRAMS REGARDING SECURITY PROCEDURES AND PRACTICES

The Los Angeles County Sheriff Department has also designed a number of programs and workshops to inform and educate students about campus safety and security issues and procedures. These workshops are offered each semester on topics including personal safety awareness, safety tips, and campus awareness. At a minimum, Los Angeles Harbor College tests the Emergency Preparedness Plan on an annual basis. Students, staff, and faculty have the opportunity to practice the established emergency procedures. At student orientation session, students are provided information about security

procedures, programs offered, and ways to prevent crime on campus and that safety has to be everyone's responsibility.

Staff and faculty are informed of the college safety program during employee orientation sessions.

PROGRAMS REGARDING PREVENTION OF CRIMES

The Los Angeles County Sheriff Department offers to students, faculty, and staff crime prevention programs that are useful in the protection of property and contribute to the physical well-being of the campus community. The programs relate to aspects of crime prevention and personal safety and are arranged at the convenience of the persons interested in the information. The programs are designed to serve as a deterrent to criminal activity. All programs are arranged upon request and can be offered to specific College offices, departments, or organizations where applicable.

1. Personal Safety Program

The Los Angeles County Sheriff Department provides an escort program particularly during the evening hours, for people walking on campus to the parking lots. Students, faculty and staff are asked to walk with others when possible and to choose paths that are well lit.

2. New Student Orientation

Crime prevention materials are provided and questions answered during new student orientation meetings.

3. Blue Light Emergency Phones

Blue Light Emergency Phones are located in prominent locations on the campus. The Blue Light Emergency Phones connect callers directly to the Sheriff's Department, who in turn will respond to the location of the emergency.

4. Crime Prevention Presentations

Presentations are available through the Campus Public Safety Departments upon request. Call the appropriate number listed below for your campus.

5. All Faculty and Students are made aware of the following safety tips:

General:

1. Be aware! Recognize your vulnerability.
2. Report all suspicious persons, vehicles and activities to the Campus Safety Department immediately, by using any campus blue light phone or by dialing 8888 from any campus phone.
3. Use the "buddy system" and watch out for your neighbor.
4. Keep your doors locked whenever you find yourself alone in a building.
5. If you see someone being victimized, get involved and notify the Sheriff Department.
6. Remember the location of emergency phones in academic buildings. Also, phones have been placed in various locations on campus. Inside building phones are silver in color. Outside phones are blue in color with "Campus Safety" marked on the side. Blue light phones will display a blue light at the top.

Walking:

1. Avoid traveling alone at night.
2. Confine walking to well-lit, regular traveled walks and pathways. Avoid shortcuts and keep away from shrubbery, bushes, alleyways, or any other areas where an assailant might be lurking.

3. Avoid the athletic fields after dark.
4. Do not accept rides from casual acquaintances.
5. When walking to your vehicle or residence, have your keys ready in hand.
6. When being dropped off by taxi or private vehicle, ask the driver to wait until you get inside.
7. If threatened by an approaching vehicle, run in the opposite direction. The vehicle will have to turn around in order to pursue you.
8. When getting out of a car, take a look around to make sure that you are not being followed.
9. If you think you are being followed, cross the street and, if necessary, keep crossing back and forth. If you are pursued, call for help and run to a campus building, business, residence, enlist the aid of a passerby, flag down a passing motorist, or as a last resort pull a fire alarm. Do anything that might attract attention or summon assistance.

MONITORING OF CRIMINAL ACTIVITIES OFF-CAMPUS

Los Angeles Harbor College does not have recognized off-campus locations of student organizations, such as off-campus housing facilities, and does not engage in monitoring of student criminal activity off-campus. However, students engaging in criminal activities off-campus, in conjunction with college-sponsored activities, may be subject to disciplinary action by Los Angeles Harbor College.

EMERGENCY RESPONSE AND EVACUATION PROCEDURES

Los Angeles Harbor College will immediately notify the campus community upon confirmation of a significant emergency or dangerous situation involving an immediate threat to the health and safety of students and employees occurring on the campus. More detailed information can be found in LAHC's Emergency Response Guide at <http://www.lahc.edu/sheriff/Emergency%20Response%20Guide%20-%20Harbor%20College.pdf>.

To report an emergency, please contact the Sheriff's Department at 310-233-4600 or use one of the blue emergency phones throughout the Campus.

Notification Procedures

Blackboard Notification System is the communication system used to alert all faculty, staff, and students of emergencies. All faculty, staff, and students will automatically be added to the system. When people added to the system, they will be sent a message which will give them an option to request removal from the system. A person can be removed at any time by sending a text to the system requesting removal. Blackboard can send both text messages as well as voice messages.

The College President and Vice Presidents will confer with the Sheriff's Dept. to determine whether an emergency exists and the appropriate response. However, nothing in this agreement precludes the Sheriff's Dept. from acting to ensure the safety of students, faculty, and staff.

The Sheriff's Dept. in collaboration with the President's Office, determines the content of the information in the emergency notification which is communicated through text messaging, PA system which is in each classroom and outside, email, website, social media outlets, as well as Sheriff's and Facilities personnel making direct verbal contact with students, faculty, staff and visitors.

Los Angeles Harbor College, taking into account the safety of the community, will immediately determine the content of the notification and initiate the notification system, unless issuing a

notification will, in the professional judgment of the responsible authorities, compromise efforts to assist a victim or to contain, respond, or otherwise mitigate the emergency.

The entire campus community will be notified when there is a potential that a very large segment of Los Angeles Harbor College is threatened. The President and Vice Presidents, in collaboration with the Sheriff's Dept., will reassess the situation to determine whether additional notifications or updates need to be made.

Los Angeles Harbor College will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of the responsible authorities, compromise efforts to assist a victim or to contain, respond, or otherwise mitigate the emergency.

Testing of Procedures

Los Angeles Harbor College conducts announced and unannounced tests of its emergency response and evacuation procedures. Announcements are made through the PA system located within classrooms and outside which can be campus-wide or isolated to one area or one building. The 24-hour Blue Light emergency call box phones are checked on a weekly basis.

Los Angeles Harbor College publicizes its emergency response and evacuation procedures by PA system, text message, email, website, and verbal communication by Sheriff's and Facilities personnel.

Los Angeles Harbor College will document each test by recording a description of the test, the date the test was held, the time the test started and ended, and whether the test was announced or unannounced. Copies of test documentation are available from Facilities & Maintenance Operations.
