**Global Trade and Logistics Employer Survey Results, Los Angeles.
Centers of Excellence, 2014*

**LA is
the place
to be!**

Los Angeles is North America's largest international trade hub! Not only is LAX the largest origin and destination airport in the world, Los Angeles and Long Beach rank as the nation's largest seaports, together handling over 40 percent of the imported containerized cargo entering the US. With so much vibrant trade activity, Southern California creates and provides hundreds of thousands of international jobs.
