

Student Program Guidelines 2019

To participate in this program, you must be attending an accredited Public or Private Technical Training School on a Full-time basis and not a full-time technician. Eligibility for special discounts is discontinued when you graduate. Qualified Tech Ed users are provided special discounts and promotions. **Full Time Technicians employed in the field are not eligible.** Depending on your school you will be **eligible for up to 2 years** and with some schools up to 3 years while attending Vocational Classes Only. General Ed classes do not qualify you for our program.

What is my Discount and is there a limit to the amount I can order?

Matco limits your combined total net purchases while eligible for the Tech Ed program to **\$7,500.00**. The quantity is also limited to one each of any single item online. Matco's normal student discount is -51% off on most hand tools and tool boxes. Other items are priced at up to -30% off. Monthly Promos are emailed to you and shown online once you are registered and can be up to 60% off on sales and promotions. When you register, student prices are shown online.

Are all items in the Matco product line available in the Tech Ed Program?

Whatever shows on the website with student pricing is available for purchase. Only items shown on the student website are available at discount. Thousands of items are available. Only the Series 4 Toolboxes are available to students as well as all Roll Carts. Students may purchase one Toolbox and one Roll Cart only. Please see your Matco Tools Truck to purchase items not on our website. We have no catalog because we have 1000's of items available for you to purchase. All items are shown in the online Catalog with both list and student price.

Can I purchase only what I need, or do I have to purchase a pre-determined kit?

You may order individual items or select one of our kits (which you may customize). **YOU DO NOT HAVE TO PURCHASE ANY SET COMPLETE.** Also, if your school has a required tool list on file with Matco, as with our sets, you may order the entire set or pieces in that set. Thousands of items are available to you online. Complete sets may be priced at -60%.

How do I pay for items and can I use a debit card to purchase online?

We accept Credit Cards and Debit Cards. Debit Cards usually have daily or per transaction limits of \$250, no matter what you have in the bank. Please check your bank's restrictions. We also work with Financial Aid, Job Retaining, Workforce Development, VA, Dept. of Rehab and many others. Orders usually ship in 2 days or less.

Does Matco Tools Offer Financing for Students?

Yes We Do. If you have a job and have registered as a student, you can fill out the 5-minute Online Application on the Tech Ed Page of our website and click on Credit Application under FOR STUDENTS. An answer will be emailed to you within an hour. Rate is 15.99% **Simple Interest** as of 09-2015. Up to \$6500 and 4 years to pay.

How do I register?

Go to www.matcotools.com/TechEd or use the new **Android or Apple App** and click on the tab that says **Sign-Up Now** in Red and fill out 3-minute registration form that pops up. You may be required to provide a current copy of your class schedule to verify program eligibility at a later date. We will contact you if this is required. Once you complete the online Sign-Up Form you are registered and may start ordering tools immediately online.

How do I place an order?

Students may purchase on-line 24/7/365 after you have registered and meet our Tech Ed requirements. In addition, you may contact the Tech Ed Sales Team toll free Monday through Friday EST at: 800-331-2427 – Option #1, 1 or via fax at: 800-437-7952. Most major credit cards, money orders or checks are accepted.
