Los Angeles Trade-Technical College

MOTORCYCLE REPAIR MECHANIC

The Certificate of Achievement in Motorcycle Repair is designed for both new students as well as industry professionals who want to upgrade their skills and show validation of technology training. Courses leading to the Certificate are offered during evenings and on weekends.

By fulfilling the program requirements, students will have the skills necessary to maintain, repair, and diagnose electrical and fuel induction systems, and will be proficient in tune-up overhaul procedures and basic shop practices.

Degree and Certificate

Requirements for the **Certificate of Achievement** may be met by completing 16 units of Required Courses and 7 units of Major Electives with a "C" or better in each course.

Award

● Certificate

Required Courses

16 units
