Mr. Laurence Frank, President
Los Angeles Trade-Technical College
400 West Washington Blvd.
Los Angeles, CA 90015

Dear President Frank:

Los Angeles Trade-Technical College staff has informed the ACCJC that the College will be offering three new degrees. The information provided indicates these degrees are developed from existing College curriculum. This curriculum change is in response to the Student Transfer Reform Act, also known as California State Senate Bill 1440, which mandates that California Community Colleges (CCC) develop transfer degrees to facilitate the successful transfer of students from the CCC system to the California State University system. The new degrees are:

- English AA-T
- Kinesiology AA-T
- Administration of Justice AS-T

Based on the information provided, the aforementioned changes do not require a substantive change review by the Commission.

Thank you for bringing this to the ACCJC's attention and please let us know if there are any changes in the information provided. It remains the College's responsibility to inform the Commission of any program change. Professional self-regulation is the most effective means of assuring educational quality, integrity and institutional effectiveness.

Sincerely,

A handwritten signature in cursive script, appearing to read "Susan B. Clifford", is written over a horizontal line.
