19.

Our college had planned to review/revise our ISS this Spring and we did so, while also aligning with Vision for Success Goals. However, the data entered here is the number of awards/transfers and not the undup students count. We just applied the same growth target (5% annual increase from 2016-17 baseline for min/floor and 6% for goal for completions and 6% annual min for transfers and 7% for goal). We are in the process of reviewing and/or revising Job ISS at the program level. The data used was the Perkins core indicator report for 2016-17 cohort (2019-20 reporting year).

The data included in this report are certified as a complete and accurate representation of the reporting institution.
