# The Weekend College

A Program of Los Angeles Community College District

**ITV/The Weekend College** classes allow students to complete general education classes in a focused eight-week format. The classes are offered on four campuses: **City [C]** and **Southwest [SW]** Colleges on Saturdays and **Valley [V]** and **Pierce [P]** Colleges on Sundays. The first college listed is **AM only 9:00-12:00 Noon**. The second college listed is **PM only 1:30-4:30 PM**. Students attend only one class meeting each weekend and may attend at any location.

The classes are taught by the same instructor at each campus. All classes are taught in a highly effective “blended format” combining the weekend class meetings with online activities and half-hour video lessons creating a dynamic learning environment for all students. Video lessons are available on cable television in the City of Los Angeles and in broadband, on DVD and in the College Learning Resource Centers on campus.

Students enroll online using the Student Information System, selecting ITV as the campus. Students are advised to consult with a College Counselor when planning their Associate Degree or transfer program. For questions or registration assistance, call 818/833-3595. Financial aid is available for qualified students; fee waivers also apply to these classes. Transcripts are issued by L.A. Mission College.
