

LAVC ACCREDIPALOOZA!

MEGA MEETING 1: MAY 14, 2021

RESPONSE 1: CHALLENGES

- Not enough time!!! Time crunch due to other deadlines of teaching, scheduling, re-engagement planning, program review, incident command, and more
- Pandemic fatigue and pressures
- Don't know who to ask/where to go for information

RESPONSE 2: GAPS

- Several websites are out of date
- Please send URLs to Yih-Mei Hu (she's keeping a list!)
- Related to the above, teams are unsure of what updates are necessary given that the website is in transition
- District narrative and evidence not yet available
- Difficulty involving adjunct faculty in the accreditation process

RESPONSE 3: ISSUES BUBBLING

- Accessibility resources are dependent on requiring faculty to caption everything and that isn't sustainable
- Transition to website re-design
- Handbook and other documents require updates
- Centralizing software is making purchasing process laborious
- Printing situation is problematic

REMINDERS

- Please load your evidence into your DW (District Wide) Accreditation SharePoint folder so that we may view it as we read through drafts. If you lost the link, please email Yih-Mei and she will forward it to you. Tri-chairs have access to edit, team members have access to view.
- Examples of how to label evidence:
 - III.B.1-1 LAVC Facilities Plan
 - III.B.1-2 Prop39 Projects List
- Deadline for drafts is **Tuesday, June 15, 2021**; otherwise we cannot get through them all by August
- Support inquiry from Kevin Bontenbal, the VP of the ACCJC
