Good morning!
Below are 3 styles. We can have them in increments of 15. So our total quantity of beanies would be 105. But you can multiple colors in each style. So you may be able to either get all 105 in one color or have up to 7 different colors if you want to.

We'd be able to get a patch so we don't loose the detail of the logo!

We can do the beanie below for \$16.

This one is \$19.

This last one is \$22.50.

Let me know which style you like and we'll proceed with an invoice to capture this years fund for you.
