Great News Students!

The California Department of Social Services (CDSS) has created a fund to cover DACA Filing Fees for Undocumented students, faculty and staff.

Through the California Community College Immigration Services Project, nine Legal Service Providers have been contracted to provide immigration legal services regarding the following topics:

- DACA initial application
- DACA renewal assistance
- Consultations to screen for affirmative immigration relief

To access filing fee assistance, please make an appointment with Jessica Viramontes, our legal services provider, [click here](#).

Additionally, the California Dream Act Service Incentive Grant Program (DSIG) encourages California Dream Act Application (CADAA) students with Cal Grant B awards to receive aid upon performing community or volunteer service. CASA will award up to \$3,000 per academic year to 2,500 eligible students. The grant will be available for up to 8 semester or 12 quarters while you have an active Cal Grant B award.
