

Searching and Applying to Jobs and Internships Guide

Under the Jobs and Internships tab, students will not only find current job and internship opportunities, but also their submitted applications. Review this document to learn more about searching and applying to jobs and internships in Career Connection.

Search Filters and Tools

If you login to Symplicity and navigate to the Search Jobs section, you will see a number of search filters at the top of the page. You can search for jobs by keywords or locations, along with using different filters, such as position type, industry, and job function. Other filters include when the job was posted, when the application is due, possible travel responsibilities, and by what major may be associated with the job.

One search filter that can be particularly helpful is the Work Authorization filter. This filter allows you to filter positions that may have some sort of work authorization, for example they indicated that they accept F1 Visa Applications (OPT or CPT) or position requires a security clearance.

The screenshot shows the Symplicity search filters interface. At the top, there is a search bar with the West LA College logo and a search icon. Below the search bar, there are navigation tabs: Search, Saved, My Job Applications, and Expired Jobs. The main search area includes a 'Keywords' input field, a 'Location' input field, and a '25mi' dropdown menu. A 'Search' button is located to the right of the location field. Below these fields, there are several filter categories: 'Show Me', 'Position Type', 'Industry', 'Job Function', 'Remote/On-Site', and 'More Filters'. The 'More Filters' dropdown is currently expanded, showing various filter options. On the left side of the expanded filters, there are checkboxes for 'Exclude Jobs I've Applied For' and 'Exclude Nationwide Jobs', and radio buttons for 'Ignores jobs with 'All Majors' selected' (Yes/No). Below these are radio buttons for 'Posted Date' (Any time, Past month, Past week, Past 24 hours). On the right side, there is a 'Desired Majors' dropdown menu, a 'Work Authorization' dropdown menu, radio buttons for 'Apply By' (Any time, Next 24 hours, Next week, Next month), and an 'OCR Interview Date' range selector with calendar icons. At the bottom right, there are 'Clear', 'Cancel', and 'Apply' buttons.

Job Alerts

We also recommend setting up job alerts in our system so that you are notified when new internships or jobs that fit your interests are posted. Once you enter the filters you are interested in, you can save that search by clicking on the white, "Create Job Alert" button on the right-hand side of the page. After you create a Job Alert, you will be notified to your WLAC email when new positions that fit your criteria are posted.

The screenshot shows the West LA College job search page. At the top, there is a search bar with the text "Social Media" and a "Search" button. Below the search bar, there are several filter categories: "All Jobs & Interviews", "Position Type", "Industry", "Job Function", "Remote/On-Site", and "More Filters". A "Create Job Alert" button is visible on the right side of the filter section. The main content area displays a list of job listings. The first listing is "Social worker - ILS INSTRUCTOR" by Future Focus Inc., located in West L.A., Los Angeles, CA, and is a part-time hybrid position. The second listing is "Marketing Coordinator" by JCE Structural Engineering Group, Inc., with multiple locations and a part-time position. The job description for the "Social worker - ILS INSTRUCTOR" position is provided, stating that the agency works with people with developmental disabilities who received services from a regional center, and is interested in sociology or social work majors.

The screenshot shows a "Job Alerts" dialog box overlaid on the job search page. The dialog box contains the search criteria "Social Media" and a dropdown menu set to "Weekly". There is also a trash icon next to the dropdown menu. The background of the dialog box is semi-transparent, showing the job search interface behind it.

Reviewing Positions

Within the jobs feed, you will see jobs based on other jobs you viewed, jobs people in your major are interested in, latest jobs, jobs expiring soon, and trending jobs.

The screenshot shows a job listing for 'Dental Assistant' on the West LA College website. The header includes the West LA College logo, a search bar, and navigation links for Jobs, Events, Employers, Resources, and Appointments. The breadcrumb trail is 'Home / Jobs / Dental Assistant'. The job title 'Dental Assistant' is displayed with a '1d' indicator. The employer is 'Inku & Myung Dental Inc. DBA Dental Oasis', located in Los Angeles, CA, offering a Full Time position. There are 'Save' and 'Apply' buttons. Below the job title, there are sections for 'Matching Qualifications' (Sophomore, U.S. Citizens), 'Job Description' (Chairside Dental Assistant), and 'Additional Job Details' (Position Type: Full Time, Compensation: \$20 - \$27 per hour). To the right, there is an 'About this employer' section for 'Inku & Myung Dental Inc. DBA Dental Oasis' with a 'Follow' button and location information: 'DENTAL OASIS INGLEWOOD, California 90302-7272 United States'. A 'View Full Profile' link is also present. Below that, there is a 'Related Resources' section with links to 'Mock Interviews', 'Create a Memorable Elevator Pitch', and 'Put Your Best Foot Forward in Interviews'.

The screenshot shows the 'Discover' page on the West LA College website. The header includes the West LA College logo, a search bar, and navigation links for Jobs, Events, Employers, Resources, and Appointments. The breadcrumb trail is 'Home / Jobs / Discover'. Below the header, there are tabs for 'Search', 'Saved', 'My Job Applications', and 'Expired Jobs'. A search bar contains 'Social Media' and a location filter set to '25mi'. Below the search bar, there are filter options for 'All Jobs & Interviews', 'Position Type', 'Industry', 'Job Function', 'Remote/On-Site', 'More Filters', and 'All Jobs'. The main content area is divided into two sections: 'Latest Jobs' and 'Jobs Expiring Soon'. The 'Latest Jobs' section features four job listings: 'Dental Assistant' (Full Time, 1d ago) by Inku & Myung Dental Inc.; 'Social worker - ILS INSTRUCTOR' (Part Time, 1d ago) by Future Focus Inc.; 'Law Graduate - Attorney (Bar Exam Candidate)' (Full Time, 1d ago) by Newhouse and Creager; and 'Behav' (Full Time, 1d ago) by a company with a red and blue logo. The 'Jobs Expiring Soon' section features three job listings: 'Cross Country Education' (Multiple Locations) by a company with a red and blue logo; 'Water Works Swim' (Culver City, California, Un...) by a company with a blue and white logo; and 'Epic Residential Homes, ...' (Los Angeles, California, ...) by a company with a blue and white logo.

Along with basic information, each job posting has a star and a thumbs-down on the posting. The star allows you to favorite the position, which would let the position show up under the “Favorite Jobs” tab to review at a later time. The thumbs down allows you to note that you do not wish to see that job description for various reasons, which would then remove the job from your feed.

The screenshot shows the West LA College job search interface. At the top, there is a search bar and navigation links for Jobs, Events, Employers, Resources, and Appointments. Below the search bar, there are input fields for Keywords and Location, along with a Search button. A row of filters includes Show Me, Position Type, Industry, Job Function, Remote/On-Site, More Filters, and All Jobs. A message states: "Because you viewed Dental Assistant at Inku & Myung Dental Inc. DBA Dental Oasis". Below this, there are four job listings:

- columbia dental group inc. Multiple Locations**: Dental Assistant, Full Time, 30d+ ago. Includes a star icon.
- columbia dental group inc. Multiple Locations**: Dental Assistant, Full Time, 30d+ ago. Includes a star icon.
- Mission City Community ... Los Angeles, California, ...**: Medical Assistant, Full Time, 1d ago. Includes a thumbs-down icon.
- BHC**: Dental Assistant, Full Time, 18d ago. Includes a star icon.

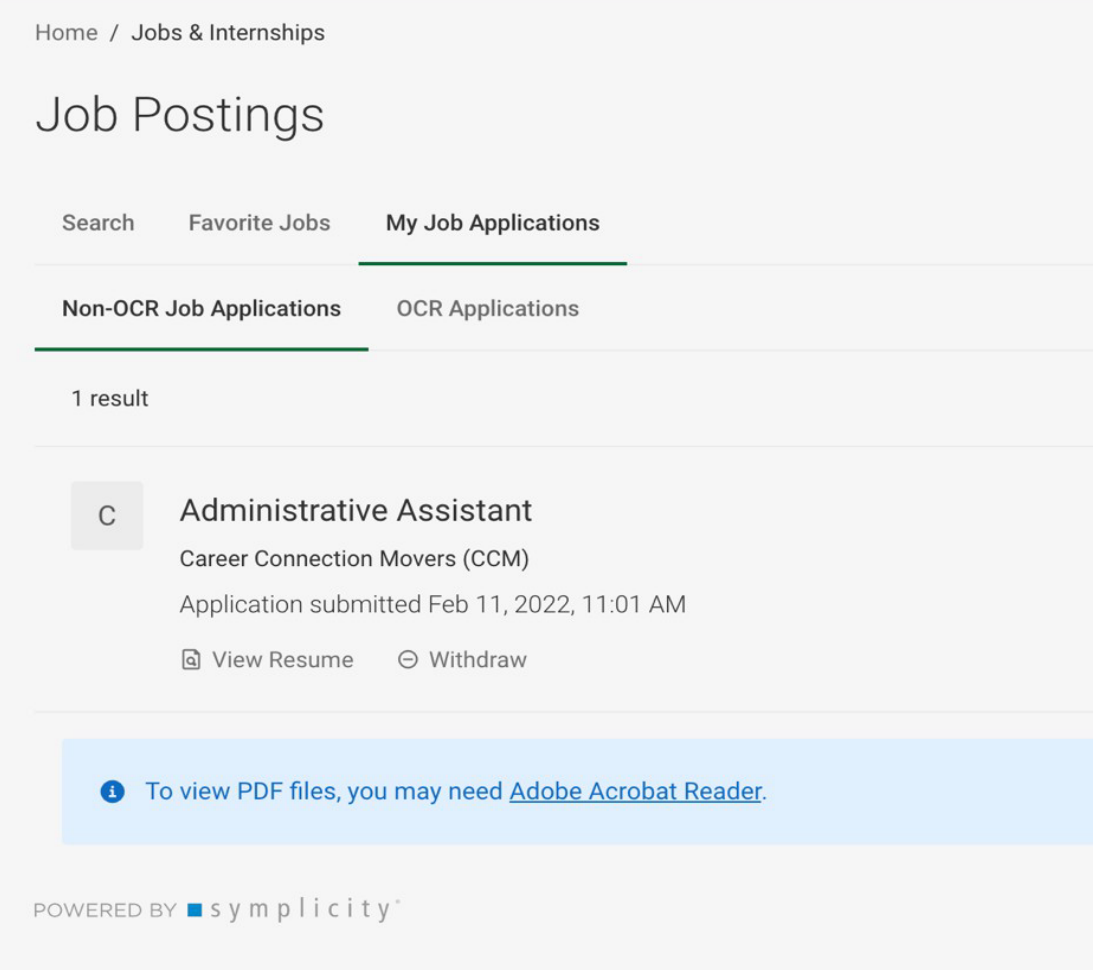

At the bottom, there is a "Latest Jobs" section with a pagination indicator.

The screenshot shows the West LA College job search interface with the "Saved" tab selected. The breadcrumb "Home / Jobs" is visible. The search results are displayed in a list format with 3 results. The results are sorted by "Date Posted".

Connect with Employers

The Career Center has over 500 employers registered in our system looking to hire WLAC students! The Career Services Team vets each and every employer to ensure they meet our expectations, and their positions match the interests of our students. When applying to a position, it's always important to research the employer.

To learn more about an employer, locate the left-hand navigation bar within Symplicity and select "Employers."

Take Your Job Search Mobile!
Download the Symplicity Jobs and Careers app, and search for jobs from anywhere.

	24 Hour Home Care Culver City, California, United States For-Profit	Follow
	360 Behavioral Health California Psychcare Inglewood, California, United States For-Profit	Follow
	3C World Group Pomona, California, United States For-Profit	Follow
	A-1 Electric Service Company Inc. Culver City, California, United States	Follow

From there, you can search for an employer by name to access their company overview, current job postings, and overall industry information. Plus, you'll be able to see if that employer has registered to attend an upcoming event at WLAC.

The screenshot shows the West LA College website interface. At the top is a dark blue navigation bar with the West LA College logo on the left, a search bar, and menu items for Jobs, Events, Employers, Resources, and Appointments on the right. Below the navigation bar is a breadcrumb trail: Home / Employers / Amigos de los Rios / Overview. A green banner features the text "EVERY CAREER IS A CLIMATE CAREER" and "Summer 2025 Paid Internship Program" alongside a globe icon and the West LA College logo. The main content area displays the Amigos de los Rios profile, including a small logo, the organization name, location (Pasadena, California), employee count (11-50), and a "Follow" button. Below this are tabs for Overview, Jobs, Events, and Contacts. The "Overview" tab is active, showing a "Who We Are" section with a detailed paragraph about the organization's mission and a "Jobs" section. To the right, there are sidebars for "Additional Details" (listing the industry as "Other"), "Links" (with icons for external link, Twitter, and Facebook), and "Location" (listing the address: 65 South Grand Ave, Pasadena, California 91105).

Who We Are

Amigos de los Rios / The Emerald Necklace Group is a legacy 501(c)3 nonprofit urban greening and environmental justice organization committed to planning and implementing convergent natural infrastructure to benefit residents of the Los Angeles Metro Area. This "Emerald Necklace" vision, inspired by the 1930 Olmsted Bartholomew plan for L.A. Basin, protects and integrates nature within the city in direct response to climate change challenges. Our proposed "Mountains to the Sea" interconnected watershed-scale system of multi-objective parks, green spaces, trails, and natural infrastructure school campuses stretch from the San Gabriel Mountains to the Pacific Ocean. It will protect and enhance the environment while improving equitable access to recreation opportunities and public health outcomes for urban residents.

To the right of the employer, students can click the follow button, which would move that employer to your personal following list. When following employers, you would get a new notification within the Career Center when that employer posts a new position or signs up to attend an event.

The screenshot shows the West LA College Career Center interface. At the top, there is a navigation bar with the West LA College logo and a search bar. The main navigation menu includes Jobs, Events, Employers, Resources, and Appointments. The breadcrumb trail reads: Home / Employers / Amigos de los Rios / Overview. A green banner at the top of the employer profile features the text "EVERY CAREER IS A CLIMATE CAREER" and "Summer 2025 Paid Internship Program" alongside a globe icon and the West LA College logo. Below the banner, the employer profile for "Amigos de los Rios" is displayed. It includes the Emerald Network logo, the organization's name, location ("Other - Pasadena, California, United States"), and employee count ("Non-Profit organization with 11-50 employees"). A "Following" button is visible on the right. Below the profile, there are tabs for Overview, Jobs, Events, and Contacts. The "Overview" tab is active, showing a section titled "Who We Are" with a partial description: "Amigos de los Rios / The Emerald Network Group is a legally 501(c)(3) nonprofit organization". To the right, an "Additional Details" section shows the industry as "Other".

To locate the employers you are following, go to the main employer search page and use the "Following" filter to filter for the employers you are following.

The screenshot shows the West LA College Career Center employer search page. The breadcrumb trail reads: Home / Employers. The search interface includes input fields for Keywords, Location, and a Search button. Below these fields, there is a dropdown menu for Industry and a "Following" filter button. The "Following" filter is selected, and a dropdown menu is open, showing a checkbox labeled "Employers I'm following" which is currently unchecked. Below the search filters, it indicates "1-20 of 1037 res".

The screenshot shows the West LA College Career Center employer search page with the results for the "Following" filter. The breadcrumb trail reads: Home / Employers. The search interface is the same as in the previous screenshot, but now the "Following" filter is selected, and the results are filtered accordingly. The search results section shows "1 result" and a "Show 20" dropdown. The result is the employer profile for "Amigos de los Rios", which includes the Emerald Network logo, the organization's name, location ("Other - Pasadena, California, United States"), and employee count ("Non-Profit organization with 11-50 employees"). A "Following" button is visible on the right of the profile card.
