

MULTIPLE SUBJECT TEACHING CREDENTIAL Requirements for Teachers Prepared in California

The Multiple Subject Teaching Credential authorizes the holder to teach all subjects in a self-contained classroom, such as the classrooms in most elementary schools, in grades preschool, K–12, or in classes organized primarily for adults. In addition, the holder of a Multiple Subject Teaching Credential may serve in a core or team teaching setting.

Requirements for the Preliminary Credential

The preliminary credential is issued for a maximum of five years. If requirements for the clear credential are not completed before the expiration of the preliminary, the holder will be unable to teach in California's public schools with that credential until those requirements are met and the document is renewed.

Applicants must satisfy **all** of the following requirements for the Five-Year Preliminary Teaching Credential:

1. Complete a baccalaureate or higher degree, except in professional education, from a regionally-accredited college or university
2. Satisfy the [basic skills requirement](#). See Commission leaflet [CL-667](#), entitled [Basic Skills Requirement](#) for additional information.
3. Complete a [multiple subject teacher preparation program](#) including successful student teaching, and obtain a formal recommendation for the credential by the California college or university where the program was completed
4. Verify subject matter competence by **one** of the following two methods:
 - a. Achieve a passing score on the appropriate subject matter examination(s). Information regarding the appropriate subject matter examination(s), including passing scores and registration, can be found in Commission leaflet [CL-674M \[pdf\]](#), entitled *Verifying Subject Matter Competence by Examination for Multiple Subject Teaching Credentials*.
 - b. Complete a [Commission-approved elementary subject-matter program](#) or its equivalent and obtain verification of completion from the authorized person in the education department of a California college or university with an accredited program. This option is only available to those individuals who completed the subject matter program and enrolled in a teacher preparation program prior to July 1, 2004. For individuals enrolled in blended programs, candidates must be continuously enrolled and have completed either a Ryan blended program by December 31, 2008 or an SB 2042 blended program by June 30, 2009.
5. Pass the Reading Instruction Competence Assessment ([RICA](#)). Individuals who hold a valid California teaching credential which was issued based upon completion of a teacher preparation program including student teaching, are exempt from this requirement. Visit the Commission's website or the National Evaluation Systems (NES) website at www.rica.nesinc.com for more information.

6. Satisfy the Developing English Language Skills, including Reading requirement by completing a comprehensive reading instruction course that includes the following: the systematic study of phonemic awareness, phonics, and decoding; literature, language and comprehension; and diagnostic and early intervention techniques
7. Complete a course (two semester units or three quarter units) in the provisions and principles of the U.S. Constitution or pass an examination given by a regionally-accredited college or university
8. Complete foundational computer technology course work that includes general and specialized skills in the use of computers in educational settings

Note: Ryan program completion dates have passed, including reasonable time for those who were granted extensions to complete the programs. The final issuance date for an initial Ryan Preliminary Multiple or Single Subject Teaching Credential for California prepared teachers was **January 1, 2012**. The sunset date includes all routes for an extension by appeal.

Requirements for the Clear Credential

Individuals who complete a teacher preparation program and receive a five-year preliminary credential must earn a clear credential by completing **one** of the following three options:

Option 1

Complete a Commission-approved [General Education Induction Program](#) and submit their application for the clear credential through the Induction Program sponsor.

Option 2

Complete a Commission-approved [General Education Clear credential program](#) completed at a California college or university, securing that institution's formal recommendation for the clear credential, submitting their application through the Clear Credential program sponsor.

Option 2 is available to holders of SB 2042 preliminary credentials issued prior to August 30, 2004, or to holders of SB 2042 preliminary credentials issued on or after August 30, 2004 if a Commission-approved General Education Induction program is not available, with submission of form CL-855 *Verification of Unavailability of a Commission-Approved Induction Program*.

Note: The final issuance date for an initial Ryan Clear Multiple or Single Subject Teaching Credential for California, out-of-state and out-of-country prepared teachers will be **January 1, 2018**.
