AWARDS

LA REGIONAL FOOD BANK | Nonprofit Excellence Award

The Los Angeles Regional Food Bank is a nonprofit organization with a mission to mobilize resources to fight hunger in our community. To achieve our mission, we source and acquire nutritious food and other products and distribute it to people experiencing nutrition insecurity through our partner agency network and directly through programs, energize the community to get involved and support hunger relief, and conduct hunger and nutrition education and awareness campaigns and advocate for public policies that benefit the people we serve. We envision a community in which everyone has access to enough nutritious food for themselves and their families.

The Food Bank is celebrating its 50th anniversary this year and since its founding in 1973, the Food Bank has been a crucial source of support for families and individuals struggling with food insecurity.

AWARDS

VERED MIRMOVITCH, Ph.D. | Educator of the Year

Dr. Vered Mirmovitch is a Professor of Biological and Environmental Sciences at West Los Angeles College. Her prior teaching experience includes teaching at California State University, Los Angeles, University of California, Riverside, and the Hebrew University of Jerusalem.

Dr. Mirmovitch's research focused on the social behavior of animals in varied conditions. Dr. Mirmovitch is committed to finding ways to support students through the development of hands-on experiences, leadership skills, and exposure to new opportunities.
